Local News Update!

Three Star Council

It’s official, the **Conservative-led** council is now a **3 Star** authority!

After 21 years of Labour failure, Birmingham is finally getting better! Gone are the days when the Government had to threaten the council with putting Social Services and Housing into special measures. Although much has been achieved, much more needs to be done to sort out the mess that Labour left our City in!

Gary Sambook said: “**All over the City, especially in Kingstanding, people are seeing the benefits of a Conservative council**”

“However we can’t rest, until we are the best!”

And...1.9% Council Tax Rise Again!

Yet again, the **Conservative-led** council has maintained another **below inflation** Council Tax rise. Good news for local residents!

Did you know?

That **none** of Kingstanding’s Labour councillors voted to retain weekly rubbish collections. Not surprising since the Labour Government wants councils to have fortnightly rubbish collections. We must stop them as this will only make our streets dirtier and increase fly-tipping!

Did you know?

The **Conservative-led** council are bringing back 'rent free' holidays .

Tenants will not have to pay rent in certain weeks in the summer and over Christmas.

Cleaner

Gary has been working hard to ensure that Kingstanding is a cleaner place. His campaign for Kingstanding's own clean -up squad has even seen Gary tackling local 'grot spots' himself!

Safer

Gary supports the Police and the Council in their attempts to tackle crime in our area. However more needs to be done to make sure that we can feel safe on our streets! Things like CCTV which has been used on the Wyrley Birch (*right*) can be very useful in catching criminals!

Fighting for a Greener, Cleaner, Safer and Brighter Kingstanding

Vote 'Local' at the next election, Vote GARY SAMBROOK!

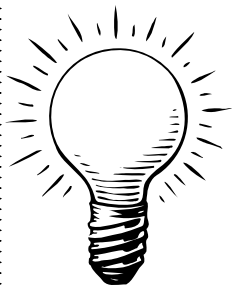

**HAPPY St
GEORGE'S
DAY from
GARY SAMBROOK**

Brighter

Kingstanding has many old street lamps which are a bit dim. So the council upgrades the old lamps for new ones, so that our streets become **brighter places**. The council gives Kingstanding money for new street lamps and then selected

streets are chosen for upgrading.

This never happened under Labour...fact!

Greener

Most of the ward now has recycling boxes which means that people can recycle even more - making our area a **greener** place for all of us to live in! Now you can recycle paper, plastic and cans!
